

HÔTEL DEMEURE CASTEL BRANDO

ERBALUNGA - CAP CORSE

An authentic, charming mansion in the Cap Corse

A proud member of Les Collectionneurs, Hôtel Castel Brando is an authentic 19th Century Corsican mansion, at the heart of a century-old palm tree grove and verdoyant park, which has been welcoming family, friends and guests for the last 150 years. The Corsican “*Art de Vivre*” is very much alive, relaxation and ‘letting go’ are *de rigueur*.

With thick stone walls, ancient terracotta floors and original antique furniture, the Castel Brando is a hotel with soul, charm and history : with 37 rooms and suites, each a little different from the other. The “Demeure” is an “American’s House”, typical of the Cap Corse, and an ideal spot for a Corsican holiday

Ideally situated in Cap Corse and close to Bastia

At the gateway of the Cap Corse, only 15 minutes from the centre of Bastia and 30 mins from its international airport, in the peaceful seaside village of Erbalunga, the Hôtel Castel Brando is the best placed hotel in the region.

Authenticity and calm, close to Bastia, sandy beaches only 10 minutes by car, and stony beaches within walking distance : everything you need for a great holiday in Corsica is right here.
