

An authentic, charming mansion in the Cap Corse

A proud member of Teritoria, The Castel Brando, ecofriendly hotel, is an authentic 19th Century Corsican mansion, at the heart of a century-old palm tree grove and verdoyant park which has been welcoming family, friends and guests for the last 150 years. The Corsican "Art de Vivre", relaxation and 'letting go' are de rigueur.

Here, walls have soul and charm : with our 37 carefully decorated rooms, all different from each other, the "Demeure" is a "American's House", typical of the Cap Corse, and an ideal spot for a Corsican holiday.

Ideally situated in Haute-Corse and close to Bastia

At the gateway of the Cap Corse, only 15 minutes from the centre of Bastia and 30 mins from its international airport, in the peaceful seaside village of Erbalunga, the Hôtel Castel Brando is the best placed hotel in the region.

Authenticity and calm, close to Bastia, sandy beaches only 10 minutes by car, or stony beaches and wild creeks within walking distance : everything you need for a great holiday in Corsica is right here.
